

# Expert Statement: Dr. Ruth Polleit-Riechert

---

#expertstatements

„Corona facilitates what was long overdue: It enforces the transformation of the art world and helps to democratise the art market by opening it up to the public. Digital access to art enforces transparent prices and enables everybody to buy great art at a fair price. That makes the art market accessible for everyone.“

**Dr. Ruth Polleit-Riechert**  
Art Historian and art market expert, 02.06.2020
